French Impression

My toes were kissed
on the steps of the Musée d'Orsay once.
It is hard for Americans
to impress the French.
They are so above it all.
Lofty, I presume.
But kissed my 10 toes were.
Each and every one.
Un, duex, trios,
Quatre, cinq, six,
Sept, huit, neuf, dix
In a moment of passion with
our 13 year old daughter observant.
Never to forget the
simple, funny loveliness of it all;
her father's love
