

Wilderness House Literary Review 11/4

Marguerite Gager
Meditation

Leave the leafy green world,
dive deep into that ancient
ocean's silence, smooth as silk.
Escape the whitecap's endless chatter.
Jeweled fish with golden eyes
guide you to a quiet place.
Weightless drifting, new beginnings.
No sun or moon or stars confuse,
loving harmonies gather,
music in your heart. Singing,
singing, singing.
