ISBN 978-0-9800081-1-1

Eric Greinke's poems, like messages in a bottle, found after so many years of being afloat, his poems are the experiences of being within, the experiences of being in nature. each poem is a cathedral of actuality, of thought, of inspiration. we can take this walk with these poems or we can stay in our homes, inside, never venturing out of doors; we can listen to the telling after the fact. he has the rare talent to walk with our environment then to bring us a profound lesson that nature often has if we listen to the ice crystals or growing green. he takes our hand and shows us what we have forgotten to look at,

*the rain is the key
the dolls are asleep*

there are books in the field
