

Wilderness House Literary Review 6/2

Felino A. Soriano

Blue Midnight

—after Paul Motian

Exacerbated motions, performed-twirls

kaleidoscope of

haunting verbs

[reopening then functioning spells
delineating spatial holds on echoed
promises distinguished then from
allegorical spasms of hope's
disintegrating hours]

reconstructing 12's physiognomy

local sporadic functions of

prior morning's

opening elongation, multilayered denial.

Wilderness House Literary Review 6/2

Breakdown

of informational baselines
possible detection of former criterion, relevant. Per
the pulchritudinous reaction to enflamed portion of
a meaning's cultural meander

a syllable-missing dialogue
corresponds with personal acceleration

pardoned

association guideline result in
reconciling miss with
found detection of the body's
massive, deliberate
portrayal.

Wilderness House Literary Review 6/2

Tergiversation

For protection, pasting
body-hand

camouflage

resting upon nestled diversion: the self
renames its corporeal behavior

:

revised

dispositional acclimation,
anonymous.
