Rootstock

Behind at home game no fun
Rookie Rootstock put in
Full count off speed slam it deep center
Turn first fly for second
Rock's strong arm careens off canvass bag
I haul for third hit dirt
Lace bloused buff holds kid secure
Cheering jumping beans
Slammer clears fence we win by one
Game over dark eyed beauty waits unsure
Holas genuine offer warm hand
Island country to big country same medley
Boy lays head on pounding chest
With cuddly sigh my heart he just wrest
Older local leaving says graciously
You three are a winning family
Fans know more than given credit for
In curved stadium lingers yet
Power of powder perfume and sweat
